Dear Mr. Soprano,

I want to personally thank you for your gift to The Madeline Franchi Ovarian Cancer Research Fund at the Dana-Farber Cancer Institute.

These donations will be used to find better treatments for ovarian cancer, to improve the understanding of the genetic make-up of ovarian cancer, and to develop better screening tests and biomarkers for ovarian cancer. There are many researchers at the Dana-Farber working specifically on ovarian cancer research, and I invite you either visit us to learn more or to visit our website: <http://www.dana-farber.org/pat/adult/gynecologic-cancer/default.html>

Thank you again for your generous donation.

Sincerely,

Ursula Matulonis, M.D.

*Thank ya!
